OCTOPUS®

Octopus is a worldwide patented concept, enabling you to carry drinks on a ecological and practical manner: this reusable and fully foldable carrier will impress and promote your brand, whether at the stadium, in a beer garden, on a music festival, in a concert or in any other event.

Any injection colour available

Patent No.09/3678841 & 09/4545

C'Smell Aroma Holders

C'Smell is a newly patented innovation, which isn't just a car fragrance but a promotional item that can be used daily. C'Smell is easily attached to any car air ventilation system, can be produced in almost any fragrance, which lasts for months, displaying your brand's logo to the world. The perfect promotional item to remember, for both sight and smell.

CSM-001 C'SMELL AROMA HOLDERS
Material: ABS
Dia: 4.6 - H: 4.9 cm

Scented Coaster

The scented coaster brings the concept of an ordinary coaster to another level. The coaster is made out of high quality polypropylene on its two outer layers, and can be screen printed or pad printed. The core layer is scented PVC, and is made from fragrances infused pellets, with more than 5,000 scents to choose from! This coaster doesn't only last up to three months but has a large printing area; It is a great promotional product for restaurants, pubs, and bars! Can also be used as Luggage Tag or as Hanging Air Freshner.

SCT-001 Scented Coaster
Material: PP + EVA Fragrance
Size: 10.0x10.0x0.6 cm
